What Frozen Ropes' families are saying....

Matt has improved incredibly in the past few months. Your guys have done a tremendous job with him. He used to walk 3 and strikeout 1, now he walks 1 and strikes out 3. He is so much more confident and enjoys playing the game more. Thank you!

LOVE THIS PLACE, you guys do a fantastic job!
-Ann

J pitched great in the game he started in pool play, throwing a no hitter (won game in 4 innings). We played the same team again in first round of playoffs. He had one walk. He had kids bailing on the cutter. His confidence was going pretty good. He did ok at the plate batting .333. Usually bats around .600. All in all it was a good trip.

Thanks again for all the help you do with him on his pitching mechanics. After the game he pitched, he said "Coach Joe would have liked my cutter today!" I just laughed...

See you soon,
Ron

....(San Diego's baseball's best kept secret) a great softball and baseball facility called "Frozen Ropes". I have personally been using Frozen Ropes for my son and I can not tell you how impressed I have been with the level of professionalism and knowledge of the staff at Frozen Ropes. They have brought together some of the best instructors I have come across! Ex Po Ball, college, and coaches who have experienced baseball at the highest levels.

They offer programs for kids from 3 years and up...You can put together a group of 4 or more players to join together and structure the time and day that works best for you. The cost is very affordable.

I would not promote Frozen Ropes if I did not feel as strong as I do about their commitment to the youth in our communities, the knowledge of their staff, and the programs they offer. As some of you know I have attended many camps and programs to learn to be the best coach I can for our kids. **If you want to learn the best baseball teaching techniques available today, you must see what is going on over at Frozen Ropes!**

There's more I could say but you just have to see it yourself.

At the risk of sounding like we're bragging, I just felt compelled to report back how vigilant Tommy has been on his mental game. He set out this week with 3 intentions, and one big goal for today's game. Intension #1 - check. Intension #2 - check. Intension #3 - carry over for next time. Goal was to hit an inside the park home run like last week. Result: TWO inside the park home runs, with bases loaded!!! Tommy comes home and says "this mental game is EVERYTHING and I know it hasn't even begun to take full effect yet."

Ron, the parents always ask us what our 'secret' is, and we of course tell them: Frozen Ropes. Today I got three text messages saying "it's obvious Frozen Ropes is really paying off for Tommy, we need to sign up.")

High Five everyone!

Just wanted you to know that M.'s tune up last Wednesday worked. He pitched three scoreless innings on 39 pitches and struck out 6.

Thanks for all your help!
Tom

Just a follow-up note from J.'s hitting lesson with you on Sunday morning to let you know that he really enjoyed your instruction. He's a bit shy and doesn't talk much, but I believe your instruction has given him an even greater interest in the game. He had me out throwing batting practice all afternoon after the lesson and was the last one off the field yesterday at practice. He was smacking the ball in BP (including a home run) and came over to me and said "See, all that practice is paying off." As you know, it's fun to see their excitement....

Thanks again, Tom

I would like to thank you for helping K. get ready for her first season of softball. The hitting and fielding fundamentals taught by [FR instructors] made it an awesome first season. I would highly recommend the "Girls Night Out" program to any first time softball player. Good job and looking forward to working with you guys again.

-Dustin

I would like to have T. come up to Frozen Ropes when school is done.... A kid by the name of Evan from the Show has been having hitting lessons at your place and he is crushing the ball! Thanks, let me know ASAP so I can get this all scheduled.

Just wanted to let you know that we won the World Series in Omaha. Played two tough in the semi-finals and finals. J. pitched in the championship game and threw 4 innings. He looked really good. He made a few kids jump out the box on called strike cut fastball between 62-64mph on the gun. Thanks for all the work you did with him...

Thanks,
The B family

A. really enjoyed the week and felt he got a lot out of it. As you know we did player development last winter at Frozen Ropes and plan to be back soon for additional instruction and practice. We have had all positive and productive experiences with A.'s time at the facility. Regards, Al

As you know, T. really enjoyed the summer program and loves Frozen Ropes...He wanted to say "thanks!" to everyone for a great time. Looking forward to hearing what FR has in store for the fall...
Best, Lauri

Thanks for a great experience for C. He had a blast. We recommend it highly.
-Matt H.

My boys had an amazing learning experience at your camp. It was like nothing they had ever experienced in baseball. I loved their enthusiasm in the program. Thank you so much for your great staff, training, and your personal player evaluation for each of my sons and recommendations. Again, are so happy to have had the opportunity to participate in the Frozen Ropes pitching camp. We give it a big thumbs up, and would highly recommend it to all athletes interested in developing sound skills.

Thank you, thank you, thank you! Diane

It was a pleasure to meet you all and I wanted to thank you all for the past couple weeks of your time and commitment to work with the boys and Z. You make up a great staff of coaches and your commitment and desire to work with kids shows. Thank you for allowing me to hang out and learn from you as well....

Thanks again, Ed

Thanks for making the summer league fun as well as a great learning experience. T. had a fun time at Wednesday practices as well as the games on Sunday...We/T. look forward to more instruction at Frozen Ropes.

Thanks, John & Janet

C. had a blast and we will definitely be back for more.
-Z family

Thank you for starting this summer program. We are honored to able to participate! M. had a great summer & I can't wait for next year to do it again. You are such a great role model to the boys; I know M. will always fondly remember this summer as "the summer of baseball"! Please count on us for any help you need in the future!

All our best, Tiana & Ernest

Just a note to let you know how impressed we are with Eric's improvement in pitching strength and accuracy over the past 6 months in the Frozen Ropes Academy, as evidenced by his mechanics shown in the photos attached from yesterday's RBLL game, higher strikeout-to-walk ratio, lower earned run average, and favorable team win-loss record!

Eric himself has renewed confidence in his pitching ability and enthusiasm for the position (and the game) for which we/he are particularly grateful to you and your Frozen Ropes staff.

In fact, whenever others at RBLL comment on his improvement, we regularly credit the Frozen Ropes Academy for it.

Thank you so much, and keep up the great work!

Andrew and I really enjoyed his hitting instruction with Tracy last week. He had his first practice since his Tracy lesson today, and he hit great. It really made a big difference and helped his confidence and his hitting. Andrew has another lesson scheduled and he's really looking forward to it.

Thanks,
Bob
