Rampage Tryouts December 4th & 5th

The Frozen Ropes Rampage, coming off a banner inaugural season which saw the Rampage collect **10 Tournament Championships** and **17 Finals appearances** including prestigious titles at **Rehoboth Beach** and **Ripken Baseball**, announce tryouts for the upcoming Spring/Summer/Fall seasons.

Frozen Ropes combines professional instruction and coaching, top-notch facilities, and the ability to develop your core skills while playing in competitive games and tournaments.

The Frozen Ropes Rampage Baseball Club is the #1 choice for SELECT players in the Shore Conference Area! We have a greater commitment to improving the individual skills of all players. Our program allows for a healthier balance of time and costs with respect to games scheduled and skill-based training. We provide individual skill instruction administered by the **Frozen Ropes Senior Instructors (throwing, hitting, fielding, pitching)** and through the use of video analysis.

Finally, we play a major tournament schedule that introduces the players to pressure-packed, upper level intense baseball while exposing them throughout the Mid-Atlantic Region.
