Leather to Lace

"Leather to Lace" is the most intense fielding class you will see. Our instructors put your player through multiple footwork drills, glove work challenges, and visual anticipation drills in order to make infielders the best at their position. You will see a huge improvement in your player's ability to read balls off the bat, create angles to the ball, and move around the infield with much more confidence. This class fills up fast, so enroll today!
